Host your own picnic with our mascot, Bertie, to raise money for our amazing hospital

The Oaks Day Nursery put on a picnic last year in honour of one of their children, Thomas, who was treated at our hospital. They enjoyed an afternoon of fundraising and delicious homemade treats, raising over a fantastic £250.

Thomas

£250

could purchase a gaming tablet for children to play with while waiting to be seen at our hospital

£500

could purchase a comfortable bedside chair to provide a more pleasant stay for parents and visitors
