Doing more for sick kids

You'll need:

- Scissors (please ask an adult to help when cutting out)
- String

Method:

1. Cut around the lines on each flag
2. Create two small holes in each corner using the circles as guidelines
3. Feed the string through the holes at the top of each flag
4. Shuffle the flags along so they're evenly spaced
5. Your bunting is ready to hang!
